## The Tichborne Case.

Would you know this May day, the darling of the populace; the hero of the country-house, of the shop, the stable, the hall? It is none other than the greatelsimant to the Tichborne estates-"Sir. Roger," or Don Castro, or Arthur Orton, as the end may show. Statesmen, warriom, priests, authors, artists, and even nctors, shrink before the bulky form of the heavy-browed man who every aftermoon moves through an enthusiastic multitude to his carriage, fresh from the stage in his trial for perjury. English judges are punctitious as to the comments upon undecided cases, and it is amusing to note how every writer throughout the land a resolution in favor of such a movement balances his phrases as he treats of the Techborne trial; but nothing I can say at Chicago can injure him; so I observe, emphatically, that this big, coarse pet of that body. Originally a Congregationathe eroud is a perjurer, and particularly list Minister, he afterwards became Secevil-minded, unscrupulous scoundrel. He retary of the Peace Society, and in that has destroyed the happiness of an inno- capacity has traveled through the United doubles the guilt of his lies. But listen to the shoots of "Hooray ! Hooray ! Bravo ! nent of peace principles .- Bulletin. Brave " from the mate of well-dressed Bitle brougham threads its line through ago, leaving \$150,000.

the hourse and excited throngs! Either they or I must be daped. Oddly does this unprecedented cause illustrate the fact that the press and the public are sometimes strangely at issue. There is not, I believe, one newspaper in the United Yesterday was the twenty-seventh an- Kingdom, which sympathizes with the sive sarv of the Pope's election-all the defendant; and yet I am certain that, in him as contending single-handed against Cardinal Rizrio Sforza, Archbishop of a combined host of aristocratic enemies, the briefest record; letters from New York, Vienna, Paris and Madrid ignominiously His Holiness arises at half-past 5 o'clock; thrown into the waste-paper basket. But makes his toilet, into which enters a great the majority prefer the trial, and the sale of the morning papers is said to be higher at the present moment than at any period since the war,-London Corr. Chicago

## A Spanish Robespierre. The bloody deeds of the Carlist Cure,

sip in h stelrie and at fireside. He burns bridges, tears up milroad tracks, destroys telegraphs, fires on trains and slaughters innocent villagers with the same coolness graveled and sanded with great care; that he carries away a fat bit of plunder braches and seats have been placed its when he can find it. Lately the Pensafull length. Before his illness the Pope miento Espanol, the principal Carlist used to walk as far as the Pentana della journal in Madrid, became intensely dis-Policella, the one which is shaded by the gusted with the course of this champion great willow. Now he only walks the of its cause, and published some very unhalf may to the shaded avenue. There complimentary animalversions upon the has been placed in the Vatican gardens barbarity of his conduct. It was reportthe statue of St. Peter, the bronze one ed that the priest had sent word to the that was destined to surmount the Coun- editor that he would shortly enter Maell Column on the annualt of Mt.
